LeetCode: leetcode.com/u/tarun_baranwal

Summary

Computer Science and Engineering undergraduate (2nd year) at Parul University with strong fundamentals in Data Structures, Algorithms, DBMS, OOP, and Digital Electronics. Skilled in Python, Java, and JavaScript, with a focus on writing clean, efficient code and solving problems. Actively building real-world projects and competitive programming skills on LeetCode (100+ problems, 50-Day Badge).

Education

B.Tech Undergraduate (2024–2028)

CGPA: 7.69

Parul University, Vadodara

Class XII – CBSE (2024)

461 / 500

S S Pub Sch Babatpur, Varanasi

Class X – CBSE (2022)

404 / 500

S S Pub Sch Babatpur, Varanasi

Skills

- **Languages:** Python, Java, JavaScript, HTML, CSS
- **Frameworks:** Django, Flask
- **Tools & Platforms:** Git, GitHub, VS Code
- **CS Fundamentals:** Data Structures, Algorithms, DBMS, OOP, Discrete Mathematics, Digital Electronics
- **Competitive Programming:** LeetCode – 100+ problems solved, 50-Day Badge

Projects

STUDENT WELLNESS PLATFORM

github.com/tarun-baranwal/wellness

- Designed and developed an anonymous mental-health support platform for university students — no sign-up required, users join via a random username keeping identity protected.
- Provides 24/7 chat access to licensed professional counsellors and a short mood-analyzer activity for fun self-assessment.
- Delivers tailored coping strategies and real-life mental-health tools, not generic advice.

EXPEDIA CLONE

github.com/tarun-baranwal/Expidiacclone

- Replicated the Expedia travel-booking interface with accurate layout, styling, and component structure.
- Practised responsive design techniques, semantic HTML, and modern CSS styling.

REALTIME CLOCK

github.com/tarun-baranwal/Realtime-clock

- Live digital clock built with JavaScript's Date API — real-time DOM updates every second with a clean, minimal UI.

Achievements

- Secured **8th position** in **Tech Sprint Hackathon** by GDG CHARUSAT (Mar 2026).
- Participated in **Vadodara Hackathon 6.0**.
- Parul University Sem III: **CGPA 7.69, First Class with Distinction**.

Global Certifications

- **IT Specialist – JavaScript : Pearson (CERTIPORT)** — May 2025
- **IT Specialist – HTML and CSS : Pearson (CERTIPORT)** — Mar 2025
- **Python : IBM** — Sep 2025
